

**Buy a selected
Bosch appliance
and we'll pay the
energy costs for
a whole year.***

BOSCH

Invented for life

*Energy costs apply to specific appliances, and are based on usage average of 200 cycles per year for washing machines and tumble dryers and 220 cycles for dishwashers; 12p/kWh electricity.

Internet

Exclusive Bosch Offer

Claim your new appliance 1st year energy cost cashback today.*

Bosch manufactures some of the most energy efficient appliances available so you can save money by saving on your energy costs.

Many of our products are so efficient that they are off the scale of the official EU energy labelling scheme and use from 10% up to a massive 64% less energy than other standard 'A' rated appliances.

So when you buy a Bosch you not only save money now, you go on saving money every year for the life of the appliance.

This promotion applies to the following products:
